FEATURES

DISPLAY TANK

KEY FEATURE

- **Visibility:** extraordinary enhancement of displayed products
- **Practicality:** pistons assisted front glass opening system
- **Customizable:** great possibility to customize front and side panel
- **Energy Saving:** double LED lighting as standard

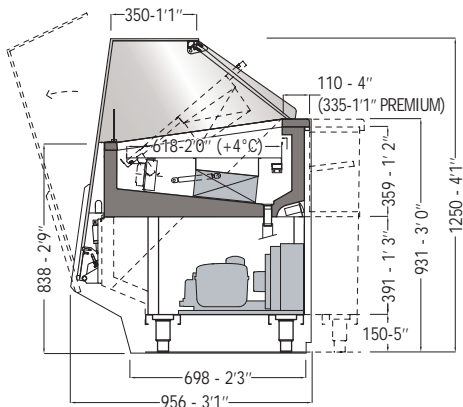

6040

The new T1 upper glass structure represents the synthesis between design and technology. The front glass with welded top is very appreciated by architects and designers; the brand new opening system makes the cleaning easier than ever. LED lighting system as standard.
