FINISHING

FEATURES

DISPLAY TANK

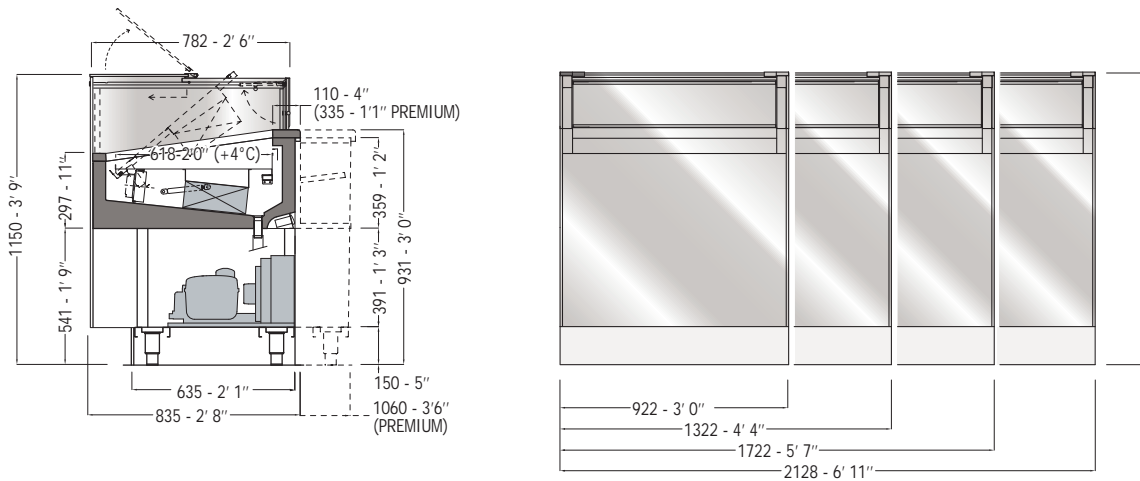

6040

The new G1 upper glass structure is the solution preferred by architects and designers, for its elegance, linearity and absolute transparency. With double opening system (patent pending) - Sliding on the operator side, and lifting up on the customer side - G1 is extremely practical and appreciated. The whole glass structure works as a glass table and helps the customer service. LED lighting system as standard.

STANDARD FEATURE

- LED lighting system
- Extra clear glass
- Lift-up mechanism for the display plate and the evaporator in order to grant easier cleaning
- Patented upper sliding glass system

OPTIONAL

- S/s esposition step
- S/s dry hot plate
- Working top perimeter (brushed s/s, corian, black HPL, granite)
- Remote condensing unit
- Wheels kit
- PREMIUM version

* At -10°C of expansion

The company reserves the right to make modifications to the products without prior notice.
