## FEATURES

## KEY FEATURES

- High power refrigeration system
- Automatic reverse cycle defrost
- Semi-hermetic three-phase compressor
- Double row of containers with storage chrome finishing
- Automatic antifog system

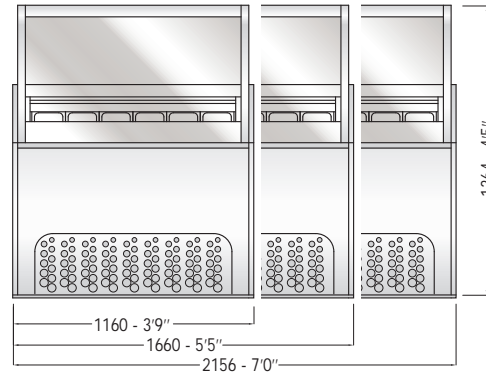

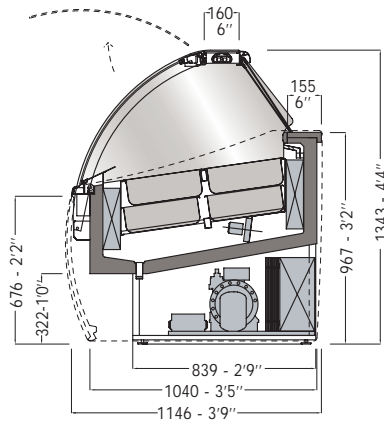

# SPACE

SPACE represents a real icon of the Italian Style expressed by CIAM. Its design is simply perfect down to the smallest detail. Two different heights: SPACE 2 (height cm134) and SPACE 3 (height cm150). Special prestige finishes such as chrome profiles and extra shiny steel structure (Optionals), which combine with the latest generation of LED lighting, to exalt the displayed products. Easy and Safe System Glass front opening system: front glass can be opened upright with a particular system of gas pistons that allow of blocking the glass in any position to guarantee total safety. The ceilings' layout is designed to ensure a perfectly uniform lighting.

### STANDARD FEATURE

- Chrome finishing
- Semi-hermetic compressor
- Pistons assisted front glass opening system
- Fluorescent light

### OPTIONAL

- Led light
- Castors
- Remote condensing unit
- S/s containers

\* At -36°C of expansion
