FEATURES

KEY FEATURES

- Refrigeration also in the first shelf
- Chrome finishing
- Fluorescent lighting on each shelf
- Automatic electric defrost
- Electronic control board

SPACE

SPACE represents a real icon of the Italian Style expressed by CIAM. Its design is simply perfect down to the smallest detail. Two different heights: SPACE 2 (height cm134) and SPACE 3 (height cm150). Special prestige finishes such as chrome profiles and extra shiny steel structure (Optionals), which combine with the latest generation of LED lighting, to exalt the displayed products. Easy and Safe System Glass front opening system: front glass can be opened upright with a particular system of gas pistons that allow of blocking the glass in any position to guarantee total safety. The ceilings' layout is designed to ensure a perfectly uniform lighting.
